Fast Flash - Self-adhesive flashing for any roof project

Fast Flash

Fast Flash is ideal for any application requiring a quick and secure flashing solution.

Fast Flash can be installed on roofs with a slope of min 5° and on almost all roof materials. Fast Flash is environmentally friendly and easy to install as the reverse is self-adhesive, as well as being flexible and very workable.

If painting is required or where water is likely to travel from copper or bitumen onto Fast Flash use 100% acrylic low sheen exterior paint.
