

Using a GivEnergy inverter without WiFi built-in? In this case, our dongles are supplied as part of our standard packages. They give your devices internet access, for smart integration and data sharing.

WiFi

Connect your devices to the internet for seamless interaction with each other. Update your firmware over-the-air effortlessly.

4G

Our SIM-enabled dongles allow connection using 4G, 3G, and GPRS. Suitable for social housing providers or where WiFi isn't available.

WiFi & 4G Dongle
